DETAILS THAT JUST DON'T ADD UP.

Whether it's faking an injury, prolonging what were once legitimate benefits, misreporting payroll or filing false medical claims,

IT'S WORK COMP FRAUD!

STOP FRAUD. CALL 1.800.442.0592.

Our Special Investigative Unit is standing by.

*It is important to remember that most work comp claims are legitimate.
The presence of one or more red flags does not necessarily mean that fraud has occurred.
