

Dump Truck Safety Rules

Always follow these company safety rules.

Our company, _____, is committed to the safety of our employees and customers. Our safety rules and policies are in place to prevent work-related deaths, injuries, damages, and wasteful financial losses.

We require you to follow the written safety rules below when performing work on behalf of our company. Our organization investigates all injuries, incidents, hazard reports, and property damage.

You are expected to follow these safety rules. Documented corrective action will result if the safety rules are not followed.

- Report injuries, incidents, unsafe conditions, and damage to management before your shift ends.
- Contact your supervisor when an injury to a patron or employee, an after-hours incident occurs or for any other business-related emergencies.
- Employees are prohibited from working while impaired by alcohol, illicit drugs, legal substances, or medications.
- Our company performs post-incident drug and alcohol screenings.
- Horseplay on the job is strictly prohibited.
- Drivers and passengers must wear seat belts when using city vehicles, driving personal vehicles for business or operating heavy equipment.
- Cell phone use while driving and on the job is prohibited.
- Safe and courteous driving is required. Follow speed limits, do not tailgate and maintain a safe following distance.
- Perform a safety check of equipment and vehicles before moving. Report any maintenance concerns.
- Eye protection is required.
- Drivers must wear gloves when working with vehicles and equipment.
- Safety-toe footwear is required while at work. In icy weather, use slip-over ice cleats.
- When out of vehicles, Class E hard hats and high-visibility reflective vests (day and night) are required.
- Do not jump from vehicles. Maintain three points of contact when mounting/dismounting vehicles or equipment.
- Do not work on top of a vehicle unless protected from falls. Use proper steps, ladders, grab bars, and work platforms.
- Use stepladders on a firm, level base and never use the top two rungs. Set up extension ladders on a safe base and secure the ladder to prevent kick-out or tip back/over.
- Maintain three points of contact when using ladders, and do not overreach.
- Never back up a vehicle without a spotter.
- Backing at fuel stops, parking lots and convenience stores is prohibited.
- Do not lift dump beds beneath or within 10' of overhead power lines.
- When working under lifted vehicle beds, lock the engine off and use safety supports.
- Two-person lifts are required when machinery or supplies weigh over 50 lbs.
- Clean up spills and hazards immediately.

These advisory materials have been developed from national standards and sources believed to be reliable, however, no guarantee is made as to the sufficiency of the information contained in the material and MEM assumes no liability for its use. Advice about specific situations should be obtained from a safety professional.
