

Why Choose Us?

Missouri Employers Mutual

We see workers compensation differently. Coverage is about more than the price you pay, and MEM provides more than a policy. Our Promise: to provide you with the services and resources you need to help every employee go home safe at the end of the day.

EXPERIENCED

Number one provider of Missouri workers compensation insurance.

WORK COMP EXPERTS

All we do is work comp, so we know how to keep people safe.

WHO WE SERVE

We look for employers that care about safety and want a long-term partner.

VALUE-ADDED SERVICES

Claims, safety, nurse case management and legal professionals keep employees safe and businesses successful.

LONG-TERM VALUE

After just one year, our policyholders reduce their losses, decreasing their premium not just once, but for good.
